

# Corporate Legal & Management Services

for top notch corporates

Ad Infinitum<sup>®</sup>  
Peace of Mind Assured.

## **ABOUT US**

---

Ad Infinitum simply means to continue forever. A private limited company, Ad Infinitum's core services fall under two heads - Legal and Management Services. Under the gambit of legal services they take care of Corporate Legal Advice and Consultancy, Litigation, Dispute Resolution & Risk Management and Financial Management. Under Management Services they take care of Asset Management, ISO Consultancy, Government Relation and Liaising, Healthcare & Life Sciences Management including Health Tourism.

K Y Sudheendran, as Chairman, is a lawyer with three decades of experience around the globe in all aspects of commercial and corporate law. His experience of having worked as Senior Lawyer and Legal Advisor for MNCs such as ArcelorMittal, Cristal, Advanced Petrochem and Sepam gives Ad Infinitum the winning edge.

K. Mohamed as Managing Director is reinforced with over 30+ solid years in the Middle East having handled various responsibilities in Management , Human Recourses, Costing & Budgeting and International Trading. This experience across multiple geographies gives every client a belief that Ad Infinitum is indeed the right choice for them. A relationship that is set to continue forever.

We have a core team of expert corporate legal, litigation and management resources having national and international exposure and experience to provide best service to our patrons .

Our team and channel partners are available at your service in Asia, Europe and USA.

## **OUR MISSION**

---

The mission of Ad Infinitum is to help clients achieve their goals by providing high quality, ethically sound legal and management advice. We work with clients to understand their objectives, resolve current issues and proactively anticipate and prevent future problems. We are committed to delivering efficient and cost-effective services with a focus on communication, responsiveness, and attention to detail.

## **OUR VISION**

---

Our vision is to offer our clients best and value-added professional assistance, combined with an in-depth understanding of the particular areas of the business. We are focused on results, commitment to excellence, creative thinking, systematic innovation and acting globally in order to enhance value to businesses and corporations. Our goal is to exceed the expectations of every client.
